

Medium Duty Track

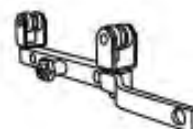

The medium duty extruded aluminium curtain track is suitable for use in schools, theatres, and many other commercial applications. The track is designed to cater for small to medium size drapes. It can be fitted directly to overhead soffit fixings, or secured by a variety of available track hanging brackets.

Features

- Anodised black matt aluminium
- Standard length 5.8m
- Wide variety of accessories
- Can be curved (track bender required)
- No Welding required
- Light Weight (0.95kg/m)
